## Inquisition!

The horrors of the Inquisition have been related many times, and just now as it is brought forcibly to the mind, one wonders why so many people who condemn it are apparently willing to suffer day in and day out, agonies born of pain, almost equalling Spanish tortures.

We speak of you who purchase shoes all too small or too ill shapen for you. You who go to stores where the science of foot fitting has never been known and is not being learned. We carry the finest and largest stock in the country and understand our business.

## Cartridge Kodaks.

They are hardly more than half the thickness of other cameras; they are adapted for films or plates, and possess the daylight loading feature. These cameras are provided with the rising, sliding and falling front, two view finders, has Eastman's patent bellows and is equally perfect as a hand or tripod camera. It has an index for focusing and when used with plates may be focused on the ground glass.

These new folding Kodaks are the most compact, practical, instruments on the market. Every lense in these cameras are carefully tested, and samples of their work can be seen. It is really a surprise that a Kodak that will take a 4 by 5 picture, with such improvements can be sold for \$25. We are always pleased to show goods. Developing and printing done by experienced man.

VIRTUE!  
REWARD!

VIRTUE HAS ITS OWN REWARD.

Rear Admiral Dewey has done himself proud in the Philippines and earned for himself the deserving title of "Rear Admiral."

This store is also anxious to earn a deserving title from the public; a title of merit, that carries with it the name of having meritorious goods at popular prices.

In order to do this it is necessary to be more than careful in the selections of goods—be cautious—knowing what the public tastes are we have used the precaution to import only first-class qualities in designs and materials such as are salable in the best markets of the world. No dead stock is wanted or bought by us, no matter what the inducements. Still goods will sometimes accumulate faster than anticipated—they must be disposed of even at a sacrifice—that what we are doing now—sacrificing a few dollars—you derive the benefit.

Don't fail to visit this store during the renovation sale—you will agree with us that it point you to do so.
